

## CLUB TRACK SESSION AT THE 2010 LE MANS CLASSIC

Ian Anderson has negotiated a unique deal for the Club at the 2010 Le Mans Classic. He has arranged track laps behind a fast pace car, for Club members only, on the full Le Mans circuit from 2000 to 2030hrs on Friday, 9<sup>th</sup> July. This will be much safer than the general hurly-burly that the Saturday morning parade laps have become, while allowing us to exercise our cars at something approaching their true capability.

We plan to impose a few simple rules:

- ♦ All participants **must** be 2010 Club members at the time of booking. (Send in your 2010 renewal, or join the Club, straight away).
- ♦ The cost is £200, which must be paid in full with your application. At a minimum of 5 laps in the ½ hour session, this compares very favourably with the cost of £120 for 2 parade laps on the Saturday.
- ♦ Funds will be held by the Club until payment to the organisers has to be made; in the event that the event is cancelled by the organisers, the money will be refunded. By paying now, you will start to spread the cost of the weekend over 8 months.
- ♦ In order to stay in keeping with the spirit of this event, participating vehicles are limited to mid-engined sports cars produced before 1975, or classics whose marques were driven at endurance races during this period. However, the Club retains the right to exclude any vehicle deemed not to conform with the principles of the Le Mans Classic.
- ♦ Normal track-day rules will apply - helmets must be worn by driver and passenger, overtake on the left only, no overtaking between the braking point on entry to a bend and the apex, slower car indicates right when ready to be overtaken. The instructions, either verbal or flagged, of all marshals and officials **are mandatory**. Anyone driving dangerously will be black flagged *by the Club*. The ACO will be watching this experiment very carefully.
