

Le Mans Classic 2012. Track Laps Information. Booking & Payment Forms

It is confirmed that the GT40 Enthusiasts Club has won the Friday 6th July Evening track session. We are combining with the 289 Register Club & Ford GT Club to run this event.

The format will follow the same pattern as 2010, there will be a drivers briefing at which the track passes will be handed out, this will take place one hour before we are due on track.
NOTE. Helmets will **not** be required this year.

Dick Townsend is the co-ordinator between the Organisers & the Club. Questions, on the track laps subject only, will be answered by contacting Dick on his home phone number or by e-mail, hopefully most answers will be found by referring to the information postings on the club web site. General LMC questions should be referred to Trudi Bubb, the Club's event organiser.

Dick's Phone No. 01455 272234. E-mail. pressmech@aol.com

The price for this event is £270 per car. It is anticipated that there will be 100 places in total between the clubs to allow reasonable space for all on the track.

Applications will be taken on a first come first served basis.

The **list** will **close** in **January**; there is not a lot of time because the organisers require the monies to be deposited with them by the end of January.

Information; you must be a current 2012 club member to take part in this event.

Please note that the attached booking & payment form is to be sent to Tim Martin, the Club Treasurer, address & e-mail at the bottom of the form.

To those who have done this before, you know what a treat is in store and to those taking to the 24hour Le Mans Circuit for the first time, well the stories are legendary!!!!!!!

Cheers,

David Scaife.
Club Secretary.
