

Le Mans Classic 3 - 5 July 2020

2020 will see the tenth running of the Le Mans Classic. More than 120,000 spectators attended the Le Mans Classic in 2018 with around 8,000 sports cars making the Le Mans Classic the largest car club gathering in Europe.

More than 400 cars will compete on track with each one previously having participated in the Le Mans 24 hours between 1923 & 1979. Divided into separate grids, each car will race 3 times during the 24 hours, ensuring all cars will race in both day and night.

Many car manufacturers have had great success at Le Mans over the years, and the Le Mans Classic will recreate those times.

Travel Destinations is an ABTA and ATOL bonded tour operator ensuring your money is safe from the original reservation and confirmation all the way through to you receiving your tickets.

We are an official tour operator for the Le Mans Classic and have been involved with sending many thousands of customers to the Le Mans Classic since its inception in 2002 and are able to offer a broad range of accommodation and ticket options.

These options include our exclusive on-circuit mobile hotel rooms 'Flexotel.' As well as hotel options, on-circuit glamping, Event Tents' and on-circuit private camping.

We are also able to bespoke your reservation should you have specific requirements such as extended stays or tickets only requests.

Whilst at the circuit we have a large team of staff who are able to advise and help should you need it.

In addition to the various accommodations and ticket options there are a variety of pre-bookable optional extras such as circuit laps, grandstand seats, commemorative picnic baskets and vintage bus tours. For further details see page 7.
